What is NCID?

NCID is the standard identity management service that allows state, local, business and individual users to access North Carolina's applications and information systems in a secure, access-controlled manner.

Step 2 of 3: Complete the Registration Form

1. Click **BUSINESS** for the user type option

North Carolina Identity Management
New User Registration

Please indicate your user type from one of the following categories:

Individual	Request access to the State of North Carolina services as an individual or citizen.
Business	Request access to the State of North Carolina services on the behalf of a business.
State Employee	Currently employed or assigned to work for an agency within the State of North Carolina government.
Local Government Employee	Currently employed or assigned to work for a North Carolina county or municipality.

- 2. Complete the required fields to create an NCID account
- 3. Once you complete the registration form, you will be sent an automated email asking you to authenticate your account and complete your security questions

Audience

- Healthcare Provider
- Healthcare Location Manager
- Statewide Location Manager

Tips

Your NCID account will only be activated once you answered the five security questions. So please take the time to complete that process.

4. Once the NCID account has been created, you will need to provide the exact first name, last name, email address, and NCID username used to create your NCID to your designated Healthcare Location Manager so they can create access to the CVMS Provider Portal for you

Need Support?

- Check the NCID support page: <https://it.nc.gov/support/ncid>
- Or call the NC Department of Information Technology (DIT): [800-722-3946](tel:800-722-3946)

Note: The DIT support team cannot answer questions about CVMS. For CVMS questions, please go to the Help Desk Portal at https://ncgov.servicenow.services.com/csm_vaccine or call the COVID-19 Vaccine Provider Help Desk at (877) 873-6247.
